

Fall Conference Volunteer Project Thank You

Below is an email thanking the OAM volunteers for their help during the fall conference at:

Worthington Thrift Shop
5600 North High Street
Worthington, Ohio 43085
(614) 848-8408

Dear Ann,

This is just a quick note that I hope gets to you before you leave town and have a chance to speak to your fellow conferees. I will send a longer note in a few days.

THANK YOU ALL SO MUCH for your time and efforts! The work that was done was fantastic – many of the jobs have not been done for years! We can see well out of the windows, and many of our volunteers will be sneezing less with all the dust that was eliminated. Projects were not just done, but done well.

I must say that my limited experience with lawyers has been that they range from stodgy to rather self-absorbed. Your group was absolutely fabulous – lots of fun, full of energy and a joy to work with. You are welcome to come back any time. You should be proud of yourselves for the great work that you have done. I will be passing on this information to both the Columbus Cancer Clinic and Life Care Alliance. And I must thank Hands On Central Ohio as well for handling our listing.

I hope your conference ends well, and watch for a longer message in a few days. Right now we are in the throes of preparing for Old Worthington Market Day this Saturday, where we will be having an outdoor display and selling some of our merchandise. We are hoping for no rain!

Thank you and your folks again, and you will hear from us in a few days.

Sincerely,
Helen Gersi
